How to Enroll in Text Banking:

1. Go to Emergency Responders Credit Union website: www.emrspcu.com
2. Login to your online banking account using your user id and password.
3. After you login to your acct, click on "Preferences" located at the top of the page. On the left side of the screen, click on the "Text Message Setup" tab.
4. You will be prompted to enter your 10 digit cell phone number (without dashes) and wireless provider. After entering the information click "Send Verification Code".
5. You will receive a verification code as a text message from text@emrspcu.com. Enter the verification code in the "Verification Code Box" under the original cell phone number and wireless provider you entered earlier. Click "Finish Setup" after the 6 digit verification code has been entered.
6. On the setup page you will see a list of your accounts with a Text Name Field. These are default names to use for each account when using Text Banking. You have the ability to change the Text Name for each account. After entering the desired text name for each account. Click "save" at the bottom of the page.
7. After completing the previous steps, you are ready to use Text Banking. Listed below are the mobile codes to receive account information. Text the command to **text@emrspcu.com**

Command	Function
BAL	List the balance for all accounts
BAL X	List the balance on account x(x is the acct name)
CHK	View most recent checks cleared
LAST X	Retrieves the last few transactions for account x (x is the acct name)
TRA X Y Z	Transfer \$Z from account X to account Y
INFO	Retrieves a list of commands
ACC	Lists account nicknames

*X in the above chart means an account Text Name.
